

# Marsden Eye Specialists

# Marsden Eye Specialists have five partners and they cover all aspects of general ophthalmology and have subspeciality interests.

	Dr Lee Koh	Cataract, Glaucoma and General Ophthalmology
	Dr Simon Liew	Cataract, Corneal diseases (Keratoconus) and General Ophthalmology
	Dr Ashish Agar	Cataract, Glaucoma and General Ophthalmology
	Dr Terence Tan	Cataract, Medical Retina and General Ophthalmology
G	Dr Samuel Dance	Cataract, Laser & Refractive Surgery, Glaucoma and Medical Retina

## We have eight associate ophthalmologists:

Dr Ross Fitzsimons	Cataract, Refractive Surgery & Strabismus (Adult and Paediatrics)
Dr Jennifer Arnold	Cataract, Retinal and Macular diseases
Dr Kwon Kang	Medical Retinal and Vitreoretinal Surgery
Dr John Byrne	General Ophthalmology
Dr Nick Saad	Neuro Ophthalmology with specific interest in Ocular Motility
Dr Helene Cass	Cataract, Medical Retina and General Ophthalmology
Dr Edwin Figueira	Oculoplastics (Eyelid), Orbital and Lacrimal (Tear Duct) Surgery
Dr Season Yeung	Corneal diseases and General Ophthalmology

### Ancillary and Research Clinics at Marsden Eye Specialists
